

## **Watab Township**

### **Road Construction Site Visit**

**June 20, 2019 – 9am**

Present: Supervisors Julie Johnson & Steve Wollak & Todd Waytashek, Lloyd Erdmann – Road Construction Inspector, Nick Anderson – Township Engineer, Brian Erdmann – Rice Contracting.

#### **Construction Notes:**

No site visit on 85<sup>th</sup> Street NW. Rice Contracting is solely working on Frost Road.

Supervisors, Lloyd Erdmann, Brian Erdmann – Rice Contracting and Nick Anderson, Township Engineer met on the west end of Frost Road by the River Road.

Frost Road nearing completion of road work. Aprons from Frost Road to the River Road (Cty Road 55) to be field designed to accommodate a wider “wing”.

Supervisor Johnson to contact Benton County to request the undergrowth be trimmed back to the south of Frost Road for better sight lines.

Rice Contracting expects to wrap up Frost Road within the week (except tar) and move to 85<sup>th</sup> Street NW next week to commence excavating work.

Blue coat (center line marks) to be done on Frost Road at the end of next week by Township Engineer.

Meeting adjourned at 10am.

Site visit lasted from 9am-10am.
