

Watab Township Meeting Minutes

September 1, 2020

Township Engineer Interviews – 7pm

Board Members Present: Julie Johnson, Steve Wollak, Bill Little

Public Attendees: Paul Wippler, Sandy Saldana, Ed Kacures

Four engineering firms were asked to submit proposals to Watab Township for the chance to be hired as the township engineer. Three firms: WSB, Bolton & Menk, & Moore Engineering returned proposals to the town board.

First Interviews lasting in 30 minutes each were scheduled starting at 7pm, 7:30 and 8pm.

Each firm presented for 20 minutes and then the town board supervisors asked general questions of the engineering firms. Engineering firms were represented by the following people:

Bolton & Menk: Jared Voge Principal Engineer, Anthony Maule, Assistant Township Engineer

WSB: Mike Nielson, Principal Engineer; Kevin Kruger, Assistant Engineer

Moore Engineering: Cliff Allen, Principal Engineer, Nick Anderson, Assistant Engineer, Tyson Hajicek, Regional Manager

The purpose of this meeting was a meet and greet and first interview. The board will schedule a work session to discuss in detail their thoughts and make a decision to schedule second interviews and attendees.

Meeting adjourned at 830pm
